

Deep Clean Check List

The Deep Clean items listed below are extra services provided in addition to our General Clean Routine. Select from items below to customize your home's needs. (The most popular items are listed in **Section A**.)

Section A

- 1. Wet wash wood work - baseboards, door facings/trim, chair rails, window sills
- 2. Kitchen & Bath cabinet (exteriors) - washed top to bottom
- 3. Blinds (2", mini, etc) - vacuum or hand dust (if they require washing we recommend a professional blind cleaning service)
- 4. Plantation Shutters - hand wash
- 5. Picture glass - hand wash (we never spray on the glass directly)
- 6. Ceiling fans - washed (if reachable – otherwise we dust with our extension tool)
- 7. Vacuum under beds – must be accessible with canister vacuum
- 8. Vacuum along edges of carpet (next to baseboard)
- 9. Upholstered furniture - detail vacuuming for dust and/or animal hair
- 10. Light fixtures - hand washed if reachable. (Crystal chandeliers and fixtures too high to reach can be scheduled to be cleaned with our window vendor)
- 11. Heavy Soap film removal on tub/tile – use of stronger clean solution and special pads.

Section B

- 1. Refrigerator (interior / exterior) – polish stainless steel where needed (Freezer cleaned only if empty)
- 2. Self-Clean Oven - clean without oven cleaner (scrub pad and degreaser)
- 3. Furniture Polished as a treatment with specific products of your choice (i.e. Guardsman, Lemon Oil, etc) provided by the customer.
- 4. Fireplace - swept out and/or glass doors cleaned
- 5. Front Door detailing
- 6. Window (interiors) - washed with squeegee method (Our window vendor can schedule exteriors)
- 7. Porches/Decks – swept (weather permitting)
- 8. Garages - swept

**Limitations: Due to liability issues we do not move heavy furniture or climb higher than a 2 step ladder. We do have equipment to get over, under and around hard to reach areas.*
